**Lomita Sea Scouts**  
The winter training program has just begun for the crew members of explorer ship "De-catur 213-S", sponsored by the Lomita Optimist Club.

The summer training program has ended with the following objectives accomplished: eight men went for 10 days to Camp Pendleton for Marine training; four training cruises to Isthmus Catalina; six deep-fishing and skin-diving trips; and several cruises in and around San Pedro.

Plenty of hard work and learning, went into these cruises to make them successful. The fun and companionship, coupled with a vigorous program aboard the ship "De-catur," where the motto is "learn by doing," spiced with the tang of fresh salt air, gave everyone a feeling of real accomplishment.

A few billets are open. The ship crew meets every Thursday evening at 1930 Navy time (7:30 p.m.), at Lomita Scout Hall on Narbonne Ave.

All acting ship personnel in good standing rate a "Well Done," according to Skipper Harry Edison.

**Cub Scout Pack 433**

The North Torrance Cub Scout Pack 433, under the leadership of Robert Betts, new Cubmaster, report activities are well under way in their new winter schedule. New den mothers, Vera Cyr, Betty Gmur, Bernice Lemke, Jesse DeLeon, and Anita Griffin, have been assisting Dane Walker, outgoing chairman, in scheduling monthly activities for the remaining winter and spring months.

**Cub Pack 732-C**

At the regular monthly pack meeting of Cub Pack 732-C held at the YMCA building, Hal Lauderman of the Boy Scouts of America installed

Robert Obetz as new Cubmaster for the pack, replacing Lee Polich.
